Acknowledgement and Release

I acknowledge and agree with Garnet Schulhauser that:

1. Garnet Schulhauser, who will perform hypnosis during the session, is not a physician or psychologist, has no medical qualifications, and cannot diagnose or treat any type of mental or physical illness or disorder.
2. My session is non-medical in nature, and it is my responsibility to consult my regular medical doctor or health-care practitioner about any changes in my condition or in my medication, as well as for diagnosis or treatment of any new or existing medical conditions.

3. Change is my own responsibility, ALL HEALING IS SELF HEALING, and Garnet Schulhauser is only a “facilitator” in the process of helping me to solve my own problem(s). It is my responsibility to be open and honest, provide accurate feedback, and be forthcoming with details and information that may help me achieve my outcomes.
4. My Higher Self may ask me to make changes to my life to facilitate the completion of any healing or transformation begun in my session. I understand that this information and advice for change comes from my Higher Self and not from Garnet Schulhauser.
5. I agree to be hypnotised but acknowledge that some people cannot be hypnotised. I understand that Garnet Schulhauser will use his best efforts to induce me into a hypnotic trance, but he does not make any guarantees that he will be successful or that the session will have a particular outcome. I understand there will be no refunds if I am not able to be hypnotised.
6. My session will be digitally recorded for my later use and Garnet Schulhauser retains the copyright of these recordings. I understand that in these types of metaphysical sessions the energy in the room can affect the equipment and the recording, sometimes resulting in static or blank recordings, and there will be no refunds for blank or inaudible recordings.
7. Although I may share my recording and information with others on a personal level, I agree I will not post the recording on YouTube, other social media sites, or elsewhere on the Internet.
8. Often in hypnosis sessions universal information is provided through the client to benefit all of humanity. I agree to allow Garnet Schulhauser to share this information and the related story either on audio or video internet posts, or in written form in websites, blogs, articles, or books, provided that my name and all personal details are omitted and/or changed.
9. I hereby release and discharge Garnet Schulhauser from any and all damages or claims of liability of any nature arising out of, or in connection with, my session with Garnet Schulhauser.
